Motor Vehicle Insurance

Introduction

Technology has made our daily life simpler in various ways. Motor vehicle is an invention which has made daily commuting easy. It is convenient and fast and saves our time. Though it is easy to own a vehicle it is expensive maintaining a motor vehicle especially in case of damage caused to your vehicle due to some unavoidable circumstances or accidents. Bajaj Allianz's Motor Vehicle policy helps you in maintaining your vehicle in such situations.

What does the Bajaj Allianz Motor Policy cover?

The policy offers the following scope of Cover :

- **Section 1** : Undertakes to reimburse the expenses incurred for:
 - Repair / replacement of the parts of the vehicle
 - To Pay the market value of the vehicle in case of a total loss Provided that the originating cause of such damage is an accident, including theft
- **Section 2** : Is compulsory. It covers the legal liability to third party personal injury and property damage arising out of an accident involving the insured vehicle.

What are the Optional Extensions?

The extensions that can be opted for are as follows :

- Loss of accessories
- Legal liability to the paid driver, cleaner or any workman
- Personal accident to the occupants
- Personal accident cover for owner-driver is compulsory
- Increased Legal liability towards property damage of third party for a limit of Rs. 7.5 lacs

Other Salient Features

- For claims free experience, discount available on subsequent renewal.
- Discount available if voluntary excess opted for

- Discount available for membership with approved automobile association
- Discount available for installing approved anti-theft device
- Depreciation, for the parts needing replacement in the accident is defined

What does the policy not cover?

The General Exclusions are as listed below :

- Any accidents outside the geographical area
- Consequential loss, normal wear and tear
- Driving without a valid licence for that class of vehicle. Driving under the influence of liquor / drugs
- Vehicle not being used as per Limitations to use.
